Term 3 Week 2 Wednesday 25 July

Welcome parents / caregivers to Week 2 at Glenview this term!

You may be aware that there is a nasty flu moving through the country. Unfortunately this week we have been hit hard with many staff falling ill. We do our very best to try and get a relieving teacher however at times even this resource is stretched. When we cannot get a reliever we split the class for the day.

Les Mills– School of Fitness

Our school is taking part in a promotion to improve the lives of New Zealanders. The promotion is run through Les Mills Gyms. It is designed around schools with the purpose to encourage children to encourage adults to encourage children. Les Mills staff will be coming into school to work with the children each fortnight this term promoting the benefits of exercise.

The great thing about this programme adults at home can also get involved. On Friday your child bought home tickets to exercise to pass onto parents and family friends. The tickets to exercise entitles the user to 14 days consecutive exercise at Les Mills Gyms. As part of the promotion every time a voucher is used at the gym a credit of \$1.00 towards sports equipment is given to the school. (each voucher is worth \$14.00). So apart from promoting a healthy community it is an opportunity for us to raise money towards sports equipment for the children at Glenview School. This promotion runs for the whole term. So lets see how many we can get in behind this promotion to improve the fitness levels of our school community.

Dental Clinic

Next week the mobile dental clinic will be at Glenview. All children will be screened during this time.

Dogs

We are getting a growing number of parents bringing dogs to school when picking up children I would like to remind parents that **dogs are prohibited** on the school grounds.

BOT Mtg

Tonight in the Library

PTA Mtg

Postponed from last week Now Monday 30th July in the staffroom 7.30pm

Tony Mangan
Principal
