Website: www.glenview.school.nz

Term 3 Week 5 Wednesday 15 August

Welcome parents / caregivers to Week 5 at Glenview this term!.

Unfortunately the wet weather continues and our grass areas are water logged, however it is at these times when the astroturf and improvements to the junior playground make the fundraising and investment all worthwhile.

The work has now started on the refurbishment of room seven. Mrs Hopcroft's class are now situated in Room 6.

Parent survey

As mentioned last week the Board will finalise the parent survey at their next meeting. It is then expected to have the survey out to parents and back by the end of the term. Getting a large number of responses back assists the Board when reviewing school policy and procedures. Having a wide parent perspective is important when making decisions that may impact on your child/ren's education at Glenview.

Les Mills– School of Fitness

How are you going with the fitness vouchers? A reminder that the tickets to exercise entitles the user to 14 days consecutive exercise at Les Mills Gyms.

Mathathon

The Mathathon has started, children are revising work ready for their test. We know the children have been busy getting sponsors from friends and family. (We do not want children going door knocking) To reward the children who have gone out already and got sponsors the PTA will do a prize draw at this week's assembly. If children want to be in the draw they need to bring their sponsorship form (with at least 5 sponsors) and show their teacher before Friday.

Dental Clinic

The mobile dental clinic finished at school last week. They informed us that 47% of the children need follow up treatment. Parents should have received information if their child needs further treatment. A reminder if your child does need follow up treatment you need to call the Frankton clinic on 8471283 and make an appointment.

Tony Mangan
Principal

ABACUS CALENDAR, GREETING CARDS AND DIARY FUNDRAISING 2012

A reminder that orders for our annual calendar, diary and card fundraising closes on **Friday 14th September**. Please complete the order slip and return with required money, to your child's classroom teacher by this date.

The price list is as follows:

Art Calendar \$11.00 each

Photo Calendar \$12.00 each

Greeting Cards \$12.00 each pack

Diaries \$15.00 each.

Fun Ball - Glenview School will be participating in Fun Ball again this year. This is a new Hamilton City Netball Centre initiative, to give Year 2-3 boys and girls the opportunity to develop large ball skills. If your child would like to be involved, there will be a meeting on Thursday this week to collect a notice. Please contact Leanna Carthew in Rm 14 if you would like more information.

Argument Writing By Room 4

I agree that Glenview School should have uniforms because of the lost property, we can raise money for the school and we can look like a neater healthier school.

If Glenview School had uniforms we would have less of the amount of lost property that we now have because, people would be more likely to name their things because they all look the same.

We could also raise a lot more money to go toward the school because we can use the money paid from the uniforms, mufti days and spend it to help children's learning and education.

With uniforms you can also make the school look so much neater, healthier and make us all look like one school together. We could also have less worries on where people are on school trips, because you could recognise the uniforms and any lost people would be instantly found.

I think Glenview School should have uniforms because it will make a great impact on our school, and make it such a better and happier place.

From Natalie Teng

Procedural Writing By Room 10

Making Toast

Goal: To make tasty toast

Needs:

- Toaster
- Loaf of bread
- Knife
- Favourite spread
- Plug
- Plate

Steps:

- Take a slice of bread
- Put it in the toaster
- Put the plug in the wall and turn it on
- Wait a couple of minutes and return to the toaster
- When the toast pops up, quickly put it on the plate and grab a knife
- Spread your favourite spread on your toast with your knife
- When done, start eating

Check: When the toast comes out of the toaster make sure it's the crispiness you like. If it is not put it back in for one more minute.

Isabella Hills, Room 10

School starts at 8.55am

We would like to see all children here by 8.40am—ready for learning!

School Office hours: 8.00am - 3.30pm.

The school office does not have eftpos facilities - cash or cheques only please.
