Term 4 Week 1 Wednesday 17 October

Welcome parents / caregivers to Week 1 at Glenview this term!

Special welcome to new families to the school this week. I hope you enjoy a long association with Glenview School. This term is always a busy one. Please check the 'What's On' to see what is happening at school. The final day of term 4 is Monday the 17th of December.

As outlined in our Sunsafe policy children are now required to wear sunhats when outside during school time. We ask all parents to assist us to make sure the children have a brimmed sunhat at school. From next week if children do not have a hat to wear they will not be able to participate in activities out in the sun.

School Survey

Thank you to all the parents that filled out the BOT survey. Once the information has been collated and discussed by the Board it will be shared with the community.

The winner of the grocery voucher will be notified by phone.

School Security.

Thank you to those parents that kept an eye on the school over the holidays. Except for some damage to the school hall in the first weekend the school came through relatively unscathed.

Mathathon

Congratulations to every one who took part in the mathathon. The children and community have raised over \$7363 (less expenses), a fantastic effort. The PTA will be putting this money along with money raised at the Gala towards upgrading the senior playground. We are in the process of getting quotes.

My Wonderful Mum

My mum has the most wonderful smile that lights up like shiny gold when she cracks up. But she has the most annoying laugh. It reminds me of a chimp when it's in danger. If she doesn't have a coffee in the morning she gets angry, but then again I LOVE her like hot chocolate.

Mum hates doing the washing, but what she hates most is the smell and look of dad's pillow!! It's yellow. Yuck!!! Almost every weekend mum comes out of her bedroom yelling at dad about his pillow, but all I do is laugh. Everyone hates her singing but she doesn't know that. She sounds like a tongue that got stuck in the door. Every month we do.... PINCH AND A PUNCH for the first of the month. I can't get her because she is always first!!

What I love about her is she takes me to town and buys me McDonalds. When a song is playing in a clothes shop she dances and sings to it so I just walk off and hide in the racks of clothes. It's so embarrassing!. My mum is so special to me like my soccer medals.
