Term 2 Week 3 Wednesday 22 May 2013

Welcome parents / caregivers to Week 3 at Glenview this term!

This week you would have received the voting forms for the upcoming board elections. It is good to see the interest from parents willing to stand for election. However I would like to inform all parents that we have today been notified by the Ministry of Education that due to unforeseen circumstances our present election is null in void and we have to set a new election date and go through the process again. It looks like the new election date will be at the end of this term but we have to wait for Ministry confirmation. So I ask all parents to destroy the present voting papers and once we have a new date set we will call for new nominations and the election process will start again. We apologise for any inconvenience this may have caused.

ERO Report

Last week we received the confirmed ERO report. I would like to share with you some of the comments from the report;

The schools vision of 'Being Our Best' and the values of 'honesty, effort, respect, and engagement' are well known to the students and families and contribute to a calm and settled atmosphere for learning.

The school is making effective use of student achievement information to support student learning. The Trustees are well informed about school-wide levels of student achievement.

Teachers make effective use of achievement information to develop and implement changes.

Positive relationships between teachers and students are an important feature of the school. There are some examples of high quality teaching practice that effectively engage students in meaningful learning.

The full ERO report is available online on the ERO's website www.ero.govt.nz

Term Dates

This term is a ten week term. We finish on the 12th of July. Monday the 3rd of June is Queens Birthday. We try our best to keep our "What's on" up to date, to inform you of upcoming events.

The school newsletter will be coming out every second week.

Oxford Pies

Oxford Pie order forms have now been sent home with the eldest child from each family. The PTA prefers cash or cheques as payment options but we are offering internet banking for Oxford pies again this year. If Parents/ Caregivers are wanting to pay using Internet banking they can do so.

Ordering by internet banking: The account number is 03 1560 0047055 00. Internet banking payments must be made by Monday 24th June 2013. Please use your child's name, your phone number and room number in the reference fields (as provided on the order form). This will enable the PTA to match your order and payment. Return your completed order form clearly indicating that payment has been made via internet banking, to the school by Monday 1st July 2013.

Ordering and paying by cash or cheque: orders and payment need to be returned to school by Monday 1st July 2013. The pies will be delivered on Tuesday 09th July 2013 and are available for pick up from the hall from 12pm. All pies MUST be collected by 3.15 as we have no facilities to store your pies and there will be no re-funds on pies not collected.

Next PTA meeting: PTA Meeting Monday 27th May

We would like to invite you to our next meeting on the 27th May at 7.30pm in the School staff room. The next meeting is 'Gala Focused', so please come along if you have any suggestions to offer. Hope to see you there!

Hockey Season to date 2013

We have had an amazing start to our hockey season. This year we have set a precedent with five teams of enthusiastic players entered for the season.

We have two middle school teams (year 3/4), two development teams (year 4/5/6) and one senior team (year 5/6).

The first two weeks we have been part of a Hockey Festival allowing our players to experience playing a range of levels. This was designed not only to introduce and promote hockey, but also to grade our teams.

This coming weekend we play our first games in the competition. We all look forward to a fun fuelled and exciting season as teams continue to develop and extend their skills and knowledge of the game.

A very special thank you to all of our hockey supporters—you have been just wonderful in the way in which you have encouraged our players, managers and coaches.

I would like to extend a very special thank you to Jamie Stones from Sports Waikato who led hockey development within the school for years 3 and 4.

Autumn Leaves by Room 18

My leaf looks spiky and it is brown.
It makes a squeaky noise. I made
leaf angels in the leaves. I like to
jump in the leaves and I like to
throw the leaves.

By Mia

My leaf is green and it has veins.
It crunches like a chip. I rolled in
the leaves and I threw them up
in the air.

Whirling Butterfly by Natasha Dall – Room 3

The butterfly whirls around

Flying through the blue sky like a living rainbow

Sitting on a flower collecting nectar to give itself power

Graceful and glittery beautiful yet strong

The butterfly whirls around

Makes me feel like I'm watching a flying ballet dancer

Loop de looping like a rollercoaster at its highest point

Swirls around the rainforest trees, as if it was skipping through the breeze

The butterfly whirls around

School starts at 8.55am

We would like to see all children here by 8.40am—ready for learning!
