Term 2 Week 9 Wednesday 3 July 2013

Welcome parents / caregivers to Week 9 at Glenview this term!

Board Elections

Nominations for the Board of Trustees closed last week. We received seven nominees, as this matched the number of vacancies, all have been accepted.

The new Board of Trustee members are.

Karsten Zegwaard* Kylie Harcourt* Maree Nobilo* Eliza Thompsen*

Darren Curry Murray Walker Meriel Astrella Julie Peden Staff Rep.*

* existing members

On behalf of the community I would like to congratulate and thank our board members for putting their names forward to serve the interests of all parents and students in our Glenview School community. The new Board effectively takes up office from the closing date and their first meeting is 7th of August (Wk 2 next term). I look forward to working with you all for the betterment of the students at Glenview.

I would also again like to acknowledge the work of the members of the previous BOT who did not stand for re-election this year. Steve Cox our Board chair, Cameron Old and Joanne Stewart. Steve, for leading the BOT and being a driving force behind many of the environmental changes made around the school in the last three years. On behalf of the students, staff and community I would like to thank them for the time and energy you have put into making Glenview School a better place for learning.

Staff Changes Term 3

Mrs McGill will be finishing her time at Glenview School at the end of the term to follow her partner who has accepted a work position overseas. Alle has been at Glenview School for six years and has been a valuable member of the junior school team. She has also been a reading recovery tutor and our very successful 'Cheer leader' team coach. We wish her all the best in the future. Julia Sowerby will be the teaching in Room 16 at the start of next term.

Park-School Boundary

The council will be removing some of the trees and shrubs on the northern boundary of the school on Monday in preparation of planting out later in the week. We are looking for parents who may be able to assist the children with the planting out on Wednesday the 10th. If you can, please notify the office.

As this is the last newsletter of the term I wish everyone a calm break with their children.

Principal

Tony Mangan

DRINK SWAP

If you're thirsty, your body needs to be hydrated with water not sugary drinks. So swap fizzy for water, straight from the tap.

Note: 1 can of fizzy has 10 tsp sugar

SNACK SWAP 1

Instead of having potato chips that are high in fat, try swapping it for plain or homemade popcorn – it's great for adding to a lunchbox.
