Term 3 Week 3 Wednesday 14th August

Welcome parents / caregivers to Week 3 at Glenview this term!

Last week our new Board of Trustees had their first meeting. One of the first duties of the new board is to elect new officers. Our board Chairperson is Karsten Zegwaard and our Secretary is Kylie Harcourt. Congratulations to them both. Other board members are Maree Nobilo, ElizaThompson, Darren Curry, Murray Walker and Meriel Astrella.

Park-School Boundary Garden Project

I would like to thank the following parents who assisted the children and Mr Hazlitt with the planting of the garden next to the park; Davina Caley, Vicki Baker and Robyn Sellars. Thanks also to Mrs Jennings from our staff who also helped out on the day. I would also like to acknowledge the assistance of the Hamilton City Council in supplying the plants and mulch. It has opened up this area and now ties it in with the rest of the boundary.

Student Led conferences.

In week seven (Monday the 9th Sept to Wednesday the 11th) of this term, we will be hosting the second round of student led conferences. This is an opportunity for students to talk about the progress they have made towards meeting the goals they set at the end of term one. Parents are able to book online or if you do not have access to a computer you can fill out a booking slip and return it to school or you can fill one out at the office. Full details appear later in this newsletter.

Spellathon

The spellathon is well under way. Children are busy learning their word lists. We know children have been busy getting sponsors from friends and family. (We do not want children going door to door knocking.) To reward the children who have been proactive early and been able to get sponsors the PTA will do a spot prize draw this Friday. If children want to be considered for the draw they need to bring their sponsorship form (with at least four sponsors) and show their teacher before Friday.

Sports Photos

A reminder that sport photos will be taken on Tuesday the 3rd of September. Children should be bringing home envelopes in the next few days.

Dogs

A reminder to parents and caregivers dogs are not allowed on the school grounds. We don't mind parents walking dogs to school but please leave them at the school gate.

Year 1-6 Student Led Conferences

We are hosting student led conferences with children in years 1-6 during week 7, 9-11 September.

There are three ways to book an interview with your child's teacher.

Online bookings open Wednesday 21st August. Those parents with access to a computer can

Book online by going to www.schoolinterviews.co.nz and following the online instructions.

We will have an event code available for the 21st which will give you access to the booking schedule.

A note with the event code on will be sent out early next week.

If you do not have access to a computer you can fill out a booking slip and we will do the booking at school. Booking slips will be sent home on Thursday for you to fill out and there will also be some available at the classroom or the office for you to fill out.

We will send confirmation of all interviews. It is acknowledged that a strong partnership between parents and teachers is important for children's on going learning. This is an opportunity to view your child's portfolio. If for some reason you are not able to attend during week 7 please contact your child's teacher.

COMMUNITY NOTICES

SPORT WAIKATO—NOMINATE A SPORT MAKER

Please nominate your "Sport Makers" that make sport happen. We want to try and acknowledge the awesome work they do.

This is our campaign to reward and acknowledge Waikato region sport volunteers for the excellent work they put into local sport. Please promote the nomination form link far and wide as we want as many Sport Makers (sport volunteers) nominated as possible. There's a link on the website front page. All nominees go in the draw for the chance to receive some fantastic sporting gear!

This is a long term campaign and we really want to keep the momentum going, please support and promote to the sporting community in the Waikato region as much as you can.

**"SPORTS DRINKS
MAKE YOU RUN FASTER"**

False. Sports drinks are designed for elite athletes to help with recovery from demanding training and during competitions. Sports drinks can contain approx 14tsp sugar per bottle. Children do not need sports drinks to assist them in their sports, tap water is the best drink to keep us hydrated and help us perform better!
