Term 1 Week 3 Wednesday 12 January

Welcome parents / caregivers to Week 3 at Glenview this Term!

Safety around the school

Please help your children to be safe by ensuring they walk into the school grounds via the paths, not by cutting through the car parks. Parents are also asked not to use the car parking areas or nearby footpaths as a place to turn around as this hinders our road patrollers from having a clear view of the traffic.

Congratulations to all our new Road Patrollers. Well done for being on time for Road Patrol duty and making our crossings safe.

Year 5/6 Camp

A reminder Rooms 2,3 and 4 will be on camp from this Sunday 16th February (Year 6 students). Year 5 students will join the camp on Wednesday 19th February. It is a requirement that all camp fees are paid beforehand. Please see Mr MacPherson if you have any concerns around this.

A Reminder that the pick-up point for both camps, finishing on 21st February and 28th February, is the Coastguard car park at Bowentown Beach. Children are to be collected between 1.15pm and 1.45 p.m. Children will be arriving back in Hamilton around 3.00pm and will be dropped off according to what arrangements have been made with parents.

Children who require transport have been sent home with a notice advising who they will be travelling with. Please ensure that you contact the allocated person to make arrangements for your child to be picked up and dropped off.

Stationery

It is pleasing to note that most children now have their stationery and we are under-way with using our books.

Sunhats

Sunhats are compulsory during Term 1 and 4. Please ensure that your child has a brimmed hat to wear at school.

Weetbix Try-athlon

Well done to all Glenview students who participated in the Weetbix Try-athlon last Sunday. We had a large group competing. Congratulations to you all.

School Lunches—Parent helpers needed

In order for us to begin school lunch orders again, we need a willing team of volunteers to collect orders on Friday mornings. Volunteers are required to be here from 8.30am until just after 9.00am. If you are able to help, please leave your name and contact details with the office staff.

We will inform parents when school lunches are to start, once we have a sufficient number of parent helpers.

Smart Water starts with you!-Alert Level 2

The Waikato is moving to Water Alert Level 2. Due to a long spell of warm dry weather and an increase in average temperatures Waikato District, Waipa District and Hamilton City Councils made the decision this week. When making the decision to increase the water alert levels a number of things are taken into consideration including increased temperatures, rain forecasts as well as infrastructure ability to treat and distribute water.

From **Wednesday 5 February** sprinklers and watering systems can only be used on alternative days (e.g. even street numbers on even days; odd street numbers on odd days between 6- 8am and 6- 8pm), while hand held hosing can be used any time.

While showers are expected in the long range forecast there needs to be a long period of rain for us to remain at Water Alert Level 1 which is why the decision has been made to move to Alert Level 2.

IRISH DANCING CLASSES:

"Irish Dancing classes for children aged 6 and up, including adult classes. Please feel free to come along and join our classes. For further information please contact Rebecca on 07 855 0228 or 027 2767431 or email maryellenwalsh@xtra.co.nz Your first lesson is free!"

Every day Counts

If your child is absent please phone 843 5598 and follow the options then leave a clear message with your child's name, room number and **reason for absence** (medical, funeral etc).

If you can't phone can you please send a note to school when your child returns.
