Term 2 Week 1 Wednesday 22 April

Welcome parents / caregivers to Week 1 at Glenview this term!

Welcome back everyone to term 2. I hope you enjoyed the break with your children. A special welcome to the new families that enrolled children this week. I hope you enjoy your association with Glenview School.

This term is eleven weeks long and finishes on the 3rd of July. Next Monday school is closed for ANZAC day. A term events calendar appears later in this Newsletter. You can use this to keep up to date with what is happening. An events calendar can also be found on our website.

Following on from last term in exploring our core values (Honesty, Effort, Respect and Engagement) . This term I am going to explore the school value “EFFORT” and hopefully pass on some ideas on how you can help us and hopefully help you so your children are making the most of their schooling at Glenview.

Lateness

Well done parents for making sure your child is arriving at school on time. Last term we made an effort to encourage children to be at school on time. We had an average of 10 children arriving late each day. In the majority of cases this was only by two or three minutes. Hopefully we can improve on this number this term.

School Newsletter

This is the last time the newsletter will be in this format. A new coloured version is on its way thanks to the support of businesses who are sponsoring us. Thank you to the PTA for organising this. If you have a business that would like to be involved as a sponsor please contact Michelle Bayley through the school PTA.

School Donation

As you are aware we ask parents to make a voluntary donation at the beginning of the year to assist with school funds. We realise that the beginning of the year comes with many expenses and understand that the school donation may not be high on parents priority lists. During the year the school uses the donation to subsidise many activities (that are extra to the curriculum) that we see as worthwhile that build up children’s learning experiences. If you have not paid the school donation this can still be paid during the year. Thank you to those parents that have already paid.

Sports Teams

In the next few weeks our sports teams are going to start their playing seasons. I can’t emphasise enough the importance parents play in supporting their child during the games. We want sport to be an enjoyable and positive experience for our children and parents can play a big part in this. I am already aware of the many parents who are giving up their own time to coach and manage our sports teams. This is much appreciated. I ask all parents who have children playing in school teams to be positive in the support they give to their child’s team and to enjoy the season with their child.

Effort—Kaha Tip (Being supported in their Learning)

When we talk about effort we include qualities like perseverance, challenge, risk-taking and achievement. These are the ideas I would like to explore this term. When children display these qualities it is obvious that children are putting in EFFORT. Perseverance (the ability to continue /persist with a task) is one of the most important qualities a person can have when it comes to learning. All learning involves a challenge, for children it is taking them into an environment where they may feel uncomfortable. This is where some children give up. So how can we develop perseverance in children from an early age. At home and at school it is encouraging children to see through things they have started. This could be little tasks they have to do at home, like getting dressed on their own, making the bed, tidying their room, and at school, finishing of a piece of work, learning a new skill through practise etc. If they commit to something, seeing it through to the end. It is important that when this happens it is celebrated so children see that perseverance gives rewards., eg the satisfaction of feeling good about completing the task, demonstrating the new skill, seeing the pleasure it give to others, etc.

Student and Parent contact details

Could you please ensure that you let the office staff know if the contact details for your family change. This way we are able to keep our records up to date ensuring we are able to contact parents quickly if your child becomes unwell or if there is an emergency.

School Lunches

We are still requiring Helpers for school lunches on Fridays. This will require just over an hour of your time, one or two Fridays each month between 8.15am and 9.30am, to take orders, collect money and collate the orders for Tommos. If you are able to help, please let the office staff know.

There has been a change to the muffin that was offered. Previously children were able to order a blueberry bran muffin, this option has now been changed to a chocolate chip muffin. The price of the muffins is \$1.50.

COMMUNITY NOTICES

Saturday morning music classes

The first session for Term 2 of the Hamilton Community Centre of Music will take place on Saturday 2nd May.

The school has been in operation for over 30 years. Located on the University of Waikato campus, it is a charitable trust, and offers group tuition in a wide range of musical instruments, with fees kept low to make learning music as accessible as possible.

Most classes are 30 minutes in length; class times are between 8am and 12:30pm on Saturday mornings during primary school terms. The enrolment fee for an instrument class also includes participation in any one of the following:

an ensemble, concert band, or Sinfonia Orchestra. We offer a *Music Makers* programme for children ages 3-8, specially designed to give them an enjoyable introduction to music.

Contact us via our website <http://www.hccm.ac.nz/> or on 07 838 4611.

WINTER WARMERS

ProJoe's Healthy Nachos

Feeds a family of FIVE!

1 diced onion	1 can kidney beans
1tsp oil	1C stock
400g beef mince	2C veges (frozen or grated)
2tsp paprika	6 wholemeal wraps
1tsp cumin	
1 can tomatoes	

Cook onion in a pan with oil, add mince, paprika and cumin. Pour in tomatoes, beans, stock and vegetables. Simmer for 20-30 mins.

Cut each wrap into 8 wedges, place on tray and bake until crisp.
