Glenview School Newsletter

Term 2 - 2015

Term 2 Week 11 Wednesday 1 July 2015

Welcome parents / caregivers to Week 11 at Glenview this term!

Here we are at the end of term two. It is timely that I take this opportunity to thank the parents who have assisted the school in some way over this term. Over the last couple of weeks I have been able to watch some of our children competing in their chosen sport against other school teams. It was great to see their commitment and enthusiasm to do their best, so well done to those parents who have assisted our sports teams in some way.

Last week your child took home their mid-year school report. Hopefully parents, you have had the opportunity to talk it over with your child/ren. As mentioned in the previous newsletter if you have any concerns about your child's learning feel free to follow it up with your child's teacher.

If your child brought home their portfolio just a reminder we do need these returned to school.

Next term Mrs McHardy will be returning from her science fellowship. She will be returning to teach in the junior area of the school.

School Security

If you are around the school during the holidays we ask parents to help us to keep an eye on the school. If you see any behaviour that you feel is suspicious we ask you to report it to the local police.

GRANDPARENTS DAY

One of the highlights of the school year is Grand Parents Day. This year we have changed the date. It is now on Friday the 18th of September.

This newsletter is available in colour at www.glenview.school.nz

NETBALL RESULTS

9 June: Glenview Gold 1, Knighton Stars 0, Player of the Day: Arie Tawera

Bodywise is a family based programme aiming to manage overweight issues in children aged 5-12 yrs. Participation in a 6 week group programme is supported by ongoing individual visits for a further 12 months. Programme topics include: healthy eating for families, school lunches and snacks, getting active, promoting self esteem and confidence, tips for dealing with bullying, problem solving and goal setting. Bodywise is now accepting referrals for programmes scheduled for term 3 and 4.

For more information contact either :

Another important VALUE we hold here at Glenview is Respect—Whakaute .

When we talk about RESPECT we consider respect for self, respect for others, respect for learning and respect for our environment.

Over the next few newsletters I would like to explore these ideas with you.

When enrolling new families at Glenview , parents often comment that they are looking for a school where their child/ren can be happy and make friends. If you ask children what they consider is the most important thing for them at school they too will talk about the importance of having friends. The idea of 'friendships' fits nicely with our value around RESPECT because lack of respect for self or others can cause difficulty for children to make friends.

When children talk about not having friends we will often ask the child to talk about what qualities they would like in a friend. We then ask them how well they match up against these qualities.

Unfortunately this is where some have difficulty, what they expect from others, they often do not expect from themselves. But we do understand the importance of friendships for children and spend much time assisting children to make friends. Parents can help their child by talking about the partnership that is involved in making friends and how mutual respect for each other is important.

2015 Term 2 Calendar

Week 11
3 Term 2 ends

Term 3
Week 1
July 20 School starts

Week 2
27 PTA Mtg
29 BOT Mtg
31 Assembly
Week 3
Aug 3 Write-a-thon starts
7 Year 1-2 Assembly

Strep throat: We have had some cases of children with sore throats that have progressed to a strep infection. If you are concerned about your child's sore throat please contact your Doctor. Please also note that if your child does develop a strep throat, they are required to be away from school for at least 24 hours after beginning antibiotics.

My Nana

My nana works at school.
She is a librarian.
She has grey hair.
She is a good chef and she's got a
friendly smile on her face.
I love my nana and she loves me too.
She even likes to spoil me.
My nana has soft skin.
She looks like a rose.

By Luuca Barker.

I like to wear my gloves and cardigan
in winter.

I like to wear them outside.

I wear them to keep me warm.

Cardigans are like jerseys, the only
thing that is different is that the
cardigan has buttons and the jersey
doesn't.

When it is winter some things get ice
on them, even when the sun is shining
really bright.

By Megan Ludlow
