Term 3 Week 2 Wednesday 29 July 2015

Welcome parents / caregivers to Week 2 at Glenview this term!

A warm welcome to all the new families who enrolled children at Glenview School last week. I hope you enjoy your association with us.

We have started the term fully staffed. Mrs McHardy has returned from her Science fellowship and is teaching in Room 16 and 17. Miss Oliver will be continuing on in Room 20.

Today your child brought home a letter about the Write-a-thon (PTA fundraising for the term). This replaces the Spell-a-thon which was planned to take place this term. The reason we have chosen writing is because it has been a major focus for teacher's professional development this year. Exploring ways to improve the level of engagement and volume outcome has been part of this. Hopefully by giving children an incentive to write this will help them realise their potential as writers. If successful it will be a win, win for the school. The PTA will raise money towards digital technologies for the classroom and the children's writing skills will be enhanced.

School Security

It is very pleasing to say we had virtually no vandalism around the school over the holidays. Thank you to those parents who helped keep an eye on the school.

GRANDPARENTS DAY

One of the highlights of the school year is Grandparents Day. This year we have changed the date. It is now on Friday the 18th of September.

Sponsors

Thank you to our new sponsors for our newsletter this term. Please support all our sponsors as they are willing to support your child's learning.

This newsletter is available in colour at www.glenview.school.nz

NEW ENTRANT ENROLMENTS : Parents who have children due to start school over the coming months and early next year, are encouraged to make sure that they have pre-enrolled their child. This helps with planning for classes and also ensures your new entrant will have the opportunity to have some classroom visits prior to starting school..

DENTAL CLINIC VISIT (FLUORIDED TREATMENT ONLY)

A Dental Therapist from Frankton Clinic will be visiting Glenview School on the 12th of August to apply Fluoride treatments for children who require this and who have consent for this treatment.

If you have any questions regarding this please phone the Frankton Clinic on 847 1283

Glenview Breakers 0, Rototuna Red 3, Player of the Day Tait Shaw-Benfull

PTA Quiz Night

On 11 September, the PTA will be holding our Quiz Night. This is a friendly social evening, with the quiz starting at 7:30. It will be a BYO event, with the PTA providing supper & nibbles.

Limited tickets. Tickets will be available from the school office, starting 10th August.

Tickets will be \$10 per person. Teams can be up to 6 people. Team dress-up is optional.

Prizes for over-all winners, best-dressed team & spot prizes.

Another important VALUE we hold here at Glenview is Respect—Whakaute .

When we talk about RESPECT we consider respect for self, respect for others, respect for learning and respect for our environment.

In the last newsletter I talked about the importance of children having respect for self and respect for others and the importance of this in developing friendships. This week I would like to explore the idea of having respect for learning. What do we mean when we talk about respect for learning? This can cover a range of things. For us we want children to understand they have an important role in the learning. They are active participants in the learning, as they learn, we as teachers also learn, off them, about them and about our teaching. Students have a responsibility to make the most of the learning opportunities that arise, at times this means students will be teachers as well as learners. Students also have a responsibility to respect the learning of others. Excepting that not all students learn at the same rate and all learners have different strengths to share and weaknesses to develop. Most importantly we want students to respect that learning is life -long.

MEDICATION AT SCHOOL:

If your child needs to take any kind of prescribed or over the counter medication at school, Please ensure that you have completed a medication consent form at the office. Any medication given must be in the originally dispensed container with the original labels. You may wish to ask your pharmacist to make up a second container for school use.

The Toy Box Story

At home I was trying to find a home for my toys. I didn't like my toys living in my toy box. I am afraid my toys are not comfortable in the box. I was worried so I decided to find them a new home in the living room. I brought along all of their stuff with them and I brought some toy food too. I named my toys Lolly and Katie.

My toys had a great time and in the morning I went and woke them up. I took them breakfast. We had pizza, icecream, drink and a serviette to wipe their mouths.
