Term 2 Week 2

Monday 9 May

## *Welcome parents / caregivers to Week 2 at Glenview!*

Parents thank you for your cooperation and interest with our astro turf construction. This week they are working on the drainage and sub base. This will involve major truck movements at times. This may cause disruption at the back car park. The minimalization of school rubbish is going well. Even though we have removed bins there is very little rubbish being found around the school. So I would like to congratulate both children and parents for the way you have got behind this initiative.

### **Yr 4-6 Student led Conferences**

As part of assisting children to develop an understanding of their learning Yr 4-6 children will be part of the reporting process of their learning, this year we are running 20 minute conferences during **week 5** Monday 30 May to Wednesday 1st June. Parents will be able to book their times online or if you don't have access to a computer we will do it for you at school. We will give more details of the process next week.

### **Parent Community Survey**

This year we are running our parent community survey in conjunction with student led conferences and portfolio reports. Over the next few weeks I will publish the questions in the newsletter to give parents the opportunity to think about their responses. We will then ask parents of Yr 4-6 children to complete the survey after their conference and leave it at school. For year 1-3 children the survey will come home with their child's portfolio and we ask you to return it with the portfolio or drop it into school.

### **School sport**

Thanks to those parents who have volunteered for coaching and managing roles for our winter sports teams. Coaching is a demanding role and the parents of all team members are respectfully asked to support the coach. Good luck to all our players.

**Tony Mangan**  
Principal

### **Every day Counts**

If your child is absent please phone 843 5598 and follow the options then leave a clear message with your child's name, room number and reason for absence.

## ANZAC DAY

On the 25th of April Jamie Nobilo and Reece Brown went to the ANZAC Day Memorial at Memorial Park. It was a very rainy day. We started off with a couple of speeches from the Mayor and the Lieutenant. Then the artillery fired. We had a minute silence for those who had fallen for us. Last of all it was wreath laying time. Almost every school was there, even the Navy, Army and the Air Force.
