Term 2 Week 3

Monday 16 May

*Welcome parents / caregivers to Week 3 at Glenview!*

## Yr 4-6 Student led Conferences

As mentioned last week we are hosting student led conferences with children in years 4-6. We are aware for some children in Yr 4 these will not apply if they have already had the 8 yr interview. For those parents whom it does apply there are three ways to book an interview with your child's teacher.

Those parents with access to a computer can book online by going to [www.schoolinterviews.co.nz](http://www.schoolinterviews.co.nz) and following the online instructions.

The event code is **6XTQR** and this will give you access to the school booking schedule. When you click on your child's teacher you will be given their availability.

If you do not have access to a computer you can fill out a booking slip and we will do the booking at school, a slip appears in this newsletter or you may fill one out at the office or your child's classroom.

You may also do a phone booking by ringing the office after 9.30am.

We will send confirmation of all interviews.

It is acknowledged that a strong partnership between parents and teachers is important for children's on going learning. It is important that all parents attend these interviews. If for some reason you are not able to attend during week five please contact your child's teacher.

## Absences;

If your child is absent and you ring the school to leave a message could you please give the reason for the absence ( medical, funeral, etc) as this is required for our records.

We also ask parents to reply to our calls if we leave a message regarding an absence

## Astro Turf;

This week weather permitting they will be working on kerb and channelling and the fence.

**Tony Mangan**  
Principal

## Every day Counts

If your child is absent please phone 843 5598 and follow the options then leave a clear message with your child's name, room number and reason for absence.

*This week's quote...*

*"He who is afraid to shake the dice will never throw a six,"*

### **Parent Community Survey**

This year we are running our parent community survey in conjunction with student led conferences and portfolio reports. Over the next few weeks I will publish the questions in the newsletter to give parents the opportunity to think about their responses. We will then ask parents of Yr 4-6 children to complete the survey after their conference and leave it at school. For year 1-3 children the survey will come home with their child's portfolio and we ask you to return it with the portfolio or drop it into school.

**One of the areas we want feedback on is concerning Education Outside the Classroom ( EOTC) related to class trips and school camps.**

For us to conduct many activities we are required to have parent helpers, We want to know what level of support are parents able to offer us in the near future.

We also rely heavily on parents to support EOTC activities by providing transport. Again we want to know what level of support are parents able to offer us in the near future.

With the questions you will have the opportunity to comment on issues related to the questions.

## Community Notices

If you have a community notice you would like us to put in the newsletter please contact the office by the preceding Friday.
