Term 3 Week 6 Monday 5 September

## *Welcome parents / caregivers to Week 6 at Glenview!*

This week some of our children are representing our school in a range of activities. On Friday a large group of children are taking part in the Inaugural Waikato Schools Marimba and Tuned Percussion Festival at St Paul's Collegiate. The children have been under the tutelage of Mrs Mayall who with the children have been putting in hours of work. We wish them all the best.

On Saturday we have a group of children presenting their work in the Restyle Competition and performance. The children are in the Primary Category. They have created some marvelous creations with the assistance of Ms Allott Mrs Moore and Mrs Simpson.

Also on Saturday we have a group of children taking part in a "Young Authors" symposium. They will be attending along with Mrs Teotia.

This week The mobile Dental Clinic will be at our school. The Dental Therapists Joe McCaffrey, Jane Hickey and assistants Chyna Hohepa and Jasmine Emery will be here for the next two weeks. If you have any preschoolers you would like to be seen while they are here you can just turn up. (no appointment)

This week we will be publishing further results and comments we received relating to our survey last term.

Another area we wanted feedback on was concerning (EOTC)

### Questions.

*1. Do you foresee being able to support EOTC activities through being a parent helper?*

*2. Do you foresee being able to support EOTC activities through providing transport?*

*The results and some of the comments to these questions appear later in the newsletter.*

As you are aware we want to improve the punctuality of children arriving late to school. Last week there was a slight improvement. **Monday** appears to be the worst day for children arriving late. We ask you to assist us to get every child to school on time.

### Every day Counts

I like to help when I can but the cost of petrol can be a concern
