Term 4 Week 2 Tuesday 31 October

## *Welcome parents / caregivers to Week 2 at Glenview!*

What a great start children have made to term four. Nearly all children turned up with a sunhat. If your child has not got one please make sure they have it this week as they will be restricted to shade areas. With the sun becoming more intense the application of sunscreen may be desirable.

Thank you parents for your cooperation with the road works on Bruce Avenue. Now it is sealed we can get back to normal. It may be a few days before they get the road markings down so please respect the no parking areas at the front of the school. However it was good to see more children walking to school and being dropped off at the back entrance, it would be good if we can keep that up as it does ease congestion at the front of the school.

Over the next few weeks there are a few outdoor experiences happening. Please check with your child if they are involved and check for a notice about the event.

## **2012 Planning**

We are now starting to look at the make up of classes for 2012. If your child is in Yr s 0 - 5 and your child will not be at Glenview next year can you please let the office know.

## **GALA**

Thank you to all the parents who have offered to help the PTA for the gala. It is great to see how willing our parents are to help the PTA with their major fundraiser. This week children start bringing items to school. Last week the PTA newsletter listed the days for bringing the donated items. We will remind the children the day before what they need to bring.

Tony Mangan  
Principal

## **Every day Counts**

If your child is absent please phone 843 5598 and follow the options then leave a clear message with your child's name, room number and **reason for absence**.
